

# UNITED WAY INVESTS IN BRIGHT BEGINNINGS

## SUPPORTING THE NEXT GENERATION IN LINN COUNTY

We know that when children have a strong foundation built on quality education, they have a much better chance of succeeding as adults. We also know that the future of our families, our businesses and our community depends on preparing a new generation for success. Since 2010, United Way has invested more than \$1 million dollars to support programs that directly focus on our community's youth.
