Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Linn, Benton and Lincoln Counties, as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

Year Ended June 30, 2021

Note 1 - Organization and Summary of Significant Accounting Policies

Organization and Nature of Activities

United Way of Linn, Benton and Lincoln Counties (United Way) is a not-for-profit corporation, which was originally incorporated in the state of Oregon on June 14, 1957 as United Way of Linn County. Effective July 1, 2020, United Way of Linn County acquired United Way of Benton and Lincoln Counties to form United Way of Linn, Benton and Lincoln Counties. United Way is one place where everyone can make a bigger difference. Since 1957, United Way has been serving our communities' most vulnerable populations by forging partnerships across all sectors, mobilizing resources where they are needed most, and investing in programs that create change.

United Way fights for the health, education, and financial stability of every person in every community across our region. We all have a stake in what befalls our fellow man. We all benefit when a child succeeds in school, when someone finds a job that will help them provide for their family, or when more people are able to access quality, affordable health care and can live, work, and play in healthy, safe environments.

Formerly known as 'The Community Chest', United Ways' everywhere belong to the community in which they operate. At United Way, we are committed to aiding each of our donors in investing in services and agencies in their own backyard. In short, dollars raised are invested back in the counties United Way serves.

Financial Statement Presentation

The financial statements of United Way have been prepared in accordance with accounting standards generally accepted in the United States (US GAAP), which require United Way to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of United Way. These net assets may be used at the discretion of United Way's management and the Board of Directors.

Net assets with donor restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of United Way or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities and changes in net assets as net assets released from restrictions. United Way does not have any restrictions that are perpetual in nature at June 30, 2021.

Use of Estimates

The preparation of financial statements, in conformity with US GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

<u>Cash</u>

United Way maintains its cash in bank deposit accounts that, at times, may exceed the federally insured limit of \$250,000 per account holder, per bank. United Way has not experienced any losses in its bank accounts, and management believes it is not exposed to any significant credit risk on cash and cash equivalents.

Unconditional Promises to Give

When a donor has unconditionally promised to contribute funds to United Way in future periods, United Way recognizes an unconditional promise to give. Promises to give expected to be collected within one year are recorded as support and a receivable at net realizable value. Promises to give expected to be collected in future years are recorded as support and a receivable at the present value of expected future cash flows. Discounts on those amounts are computed using interest rates applicable to the years in which the promises are received. Amortization of discounts is included in contribution revenue.

Notes to Financial Statements

Year Ended June 30, 2021

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Unconditional Promises to Give, continued

An allowance for uncollectible promises to give is provided based upon management's judgment, including such factors as prior collection history, type of contribution and nature of fundraising activity. The estimated allowance is applied to all promises to give received in a campaign year.

Fair Value of Financial Instruments

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy):

Level 1 inputs are quoted prices in active markets for identical investments that the investment manager has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.

Level 3 inputs are unobservable inputs for the investment.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. As a practical expedient, certain financial instruments may be valued using net asset value (NAV) per share. NAV is the amount of net assets attributable to each share of a pool investment at the end of the period.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2021:

Beneficial interest in assets held by the Oregon Community Foundation - Reported at fair value based on the fair value of the underlying assets in the trust as reported by the custodian.

Certificates of deposit - Valued at cost plus accrued interest, which approximates fair value.

United Way's financial instruments, none of which are held for trading purposes, include cash, investments, receivables, and accounts payable. United Way estimates that the fair value of all of these non-derivative financial instruments at June 30, 2021 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statements of financial position.

Allocations Payable

Allocations payable are determined by the Board of Directors based on grant applications received from various organizations. The amount is based on the campaign funds promised between October and March of the fiscal year. The allocations are paid out monthly over the next fiscal year.

Designations Payable

Designations payable consist of contributions received during the campaign for which the donor has specified the organization to which the funds must be paid. Starting with the campaign that began in July 2020, designations are paid out when collected from the donors, and if the promise to give is not fulfilled then the designation will not be paid. Administrative fees are charged to nonmember agencies at 12.2%.

Notes to Financial Statements

Year Ended June 30, 2021

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Revenue Recognition

United Way recognizes revenue in a manner that depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which United Way expects to be entitled in exchange for those goods or services.

Campaign Results - Contributions received, including unconditional promises to give, are recognized as revenue in the period received or pledged. When the donor specifies the agency that is to receive the donated funds, contributions are treated as agency transactions and are recorded as contributions in the campaign results but then deducted to reach the net campaign total in the statements of activities and changes in net assets. Contributions with specific donor-imposed restrictions are reported as an increase in net assets with donor restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities and changes in net assets as net assets released from restriction when the donor stipulated time restriction ends or the purpose restriction is accomplished by United Way.

Grants and Non-Campaign Contributions - Revenue is recorded when the grant funds or contributions are received and restricted based on the funding entity. These funds are released from restrictions when expended for the specified purpose.

Dolly Parton's Imagination Library - This is a program that United Way is a local sponsor in the Linn County area. This program is dedicated to inspiring a love of reading by gifting books free of charge to children from birth to age five, through funding shared by Dolly Parton and local community partners in the United States, Canada, United Kingdom, Australia and Republic of Ireland. Donations received are used to purchase and distribute books to children in Linn County.

Functional Expense Allocation

The costs of program and supporting activities have been summarized on a functional basis in the statements of functional expenses. Program services consist of amounts expended to support the program activities of United Way, including grants to other organizations. Expenses have been allocated amongst those functions that benefit. Allocations are based upon either direct payments or are allocated on the following basis:

Natural Expense Allocation Basis	
Salaries, taxes, and benefits	Estimated time and effort
Rent	Overall payroll allocation
Utilities	Overall payroll allocation
Travel	Overall payroll allocation
Maintenance	Overall payroll allocation
Office expense	Overall payroll allocation
Miscellaneous	Overall payroll allocation

Income Taxes

United Way's activities are generally exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Since United Way is exempt from federal and state income tax liability, no provision for federal or state income taxes has been included in these financial statements.

For the year ended June 30, 2021, management of United Way believes there has been no activity that would jeopardize the tax position, being a tax exempt organization, and that it is more likely than not, based on the technical merits, that this position would be sustained upon examination. United Way recognizes interest and penalties, if any, related to unrecognized tax benefits in interest expense. There were none for the year ended June 30, 2021.

Notes to Financial Statements

Year Ended June 30, 2021

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Income Taxes, continued

All tax exempt entities are subject to review and audit by federal, state, and other applicable agencies. Such agencies may review the taxability of unrelated business income, or the qualification of the tax-exempt entity under the Internal Revenue Code and applicable state statutes

Subsequent Events

United Way has evaluated subsequent events through June 13, 2022, which is the date the financial statements were available to be issued.

Note 2 - Availability and Liquidity

As part of United Way's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Financial assets available for other general expenditure, that is, without donor or other restrictions limiting their use within one year of the statement of financial position date, comprise the following at June 30, 2021:

According to U.S. Treasury Regulations, all Foundation agreements must grant variance power to the Foundation's board of directors. Variance power is defined as the authority to modify restrictions and conditions of the fund agreement under certain circumstances. United Way retains the authority to transfer assets out of the fund at their discretion.
